

General Price List

These prices are effective June 6, 2018
but are subject to change with out notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However any funeral arrangements you select include a charge for our basic services. If legal or other requirements mean you must buy an item you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services selected.

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF

1835.00

Our fee for the basic services of the funeral director and staff include the arrangement conference, planning the funeral, obtaining necessary permits, and placing obituary notices. This fee for our basic services will be added to the total cost of the funeral arrangements you select. (This fee is already included for our charge for direct cremation, immediate burial, and forwarding and receiving remains.)

EMBALMING

\$610.00

Except in special cases, embalming is not required by law. Embalming may be necessary, however if you select certain funeral arrangements, such as a funeral with a viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
